

FAN-CLUB

CLUBMODELL:

PNEUMATIC-COMBI-TRUCK

Bauvoraussetzungen für unseren PNEUMATIC-COMBI-TRUCK sind ein MASTER-Baukasten und ein Baukasten PROFI PNEUMATIC.

Die Modellidee könnt Ihr bestimmt auch verwirklichen, wenn Ihr nicht alle angegebenen Baukästen habt. Seht einfach in die Stückliste – und wenn Euch ein paar Teile fehlen, dann baut Ihr Euren eigenen PNEUMATIC-COMBI-TRUCK.

Wenn's gar nicht ohne Zusatzteile geht, gibt's die SUPER-SERVICE-Stationen oder den fischertechnik Einzelteil-Service, Tel. 0 74 43/12-369, Fax 0 74 43/12-591.
